BUMPER & TYRE SHINE	
Package sizes	400ml
Description	Care and polishing spray for rubber and plastic surfaces. Restores shine and enhances color.
TECHNICAL DATA	
VOC content	Approx. 93 %
Shelf-life	10 years

FEATURES

- Easy to use
- Durable shine
- Restores color
- Removes wax residue
- Contains silicone/silicon compounds
- Prevents freezing and drying of rubber surfaces and plastic parts
- Protects against the effects of the weather
- pH neutral

USAGE

The aerosol should be at room temperature. The operating temperature should be + 5°C ... + 30°C degrees. Shake before use. The product must not come into contact with brake parts. Apply a thin, even layer and polish with a soft cloth. Avoid contact with vehicle controls as they may become slippery.
