CAR TAPE

UV- AND WEATHER RESISTANT DOUBLE-SIDED, SELF-ADHESIVE FOAM TAPE FOR INDOORS AND OUTDOORS

PRODUCT DESCRIPTION
UV- and weather-resistant, black, double-sided self-adhesive foam tape for smooth and even surfaces indoors and outdoors. Ideal for fixing accessories in e.g. cars and caravans.

FIELD OF APPLICATION
For fast, clean and simple fixing of accessories in cars, boats and caravans, such as decorative strips, third brake lights, type plates, traffic- and warning signs and thermometers. Adheres to even and smooth surfaces.
Not suitable for application on rough surfaces (stone, decorative plaster) and vinyl wall covering.

PROPERTIES
· UV- and weather resistant
· For use indoors and outdoors
· Strong: 120 grams / 2 cm tape
· Fast
· Black

PREPARATION
Surface Requirements: The surface must be clean, dry, free of dust and grease.

APPLICATION
Directions for use:
First mark corners of object on surface, since fixed objects can hardly be moved without damaging adhesive strips. Apply sufficient tape on back of object to be fixed (2cm per 120g). Remove protective film, put object in place and press firmly.
Stains/residue: Remove tape residue with white spirit

STORAGE CONDITIONS
At least 24 months after date of manufacture.
Store in a dry, cool and frost free place.

Our advice is based on extensive research and practical experience. However, in view of the large variety of materials and the conditions under which our products are applied, we assume no responsibility for the results obtained and/or any damage caused by the use of the product. Nevertheless, our Service Department is always at your disposal for any advice needed.
